Dear Mr. Bana,

Thank you for your company's cooperation during an audit conducted at your facility on March 6, 2017 as a manufacturer for our Qualified Suppliers List (QSL) program for class 2 threaded fasteners. Your company complies with all of our QSL criteria and provisions. Our office will continue to list Sems and Specials (CAGE Code: 5B4N5) as an approved manufacturer on our QSL program for the next three years.

Your renewal status is based on the aforementioned audit, quality processes and procedures, and your renewal application. Please keep in mind audits may be conducted at your facility at any time, either announced or unannounced. Qualification is always contingent upon your continual compliance with our QSL criteria and provisions. Our QSL criteria and provisions along with our applications for the different commodities listed can be found on our website at <http://www.dla.mil/TroopSupport/IndustrialHardware/Engineering-and-Technical-services/Qualified-Suppliers-List/>.

If you have any questions, I can be reached by telephone at (215) 737-9020 or via e-mail: alonzo.miller@dla.mil. Thank you for your participation in the QSL program.

Sincerely,

A handwritten signature in black ink that reads "Alonzo Miller".
